

Supporting Every Child's Learning & Development in the Early Years Foundation Stage

Are you ready for the new Early Years Foundation Stage?

A brand new interactive guidance product to support Early Years practitioners and trainers

- Helps to implement the new EYFS requirements especially planning, with 100s of ideas
- Provides a consistent approach to care, learning and development from birth to the end of the Foundation Stage

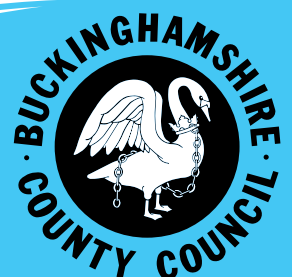

The product is designed to support Early Years practitioners and trainers in the development of EYFS provision and to support every child's learning and development within the EYFS. The primary purpose is to support practitioners to meet the new requirements of the EYFS, to provide a seamless transition for children from birth to the end of the Foundation Stage and to focus on observation and assessment as a key element of effective practice.

What's included?

2 DVDs with 60+ film clips on learning. A CD containing over 130 pages of invaluable advice for planning a range of activities to meet the development matters statements across all areas of learning including:

- How the environment and routines can be organised;
- What resources are needed for the different settings for children's development and learning;
- Examples of how practitioners can support and develop learning and the sort of language and questions to use. *Cont'd overleaf*

Working together to reach your goals

What's included?

- **2 DVDs with hours of footage covering 60+ sections of lessons with excellent practice across all areas of learning and development steps to support planning throughout the age range.** There is also a focus on 4 themes of the unique child, positive relationships, enabling environments and learning and development with supporting commitments
- Proformas for Child and Family Profile, Health and Development, Supporting Individual Needs and Transition
- The documents are designed for use by all staff and no extra permissions are required for the sharing of the content within your setting. You can cut and paste into your planning.
- **The extremely practical, visual examples along with the high quality guidance information will make planning for the new EYFS much easier and less stressful.**
- This product will save you time and offers **exceptional value for money at only £100 plus VAT per copy. This is only a sixth of a day's consultancy** (based on market rates).
